Subject: White paper on options for discharge of treated groundwater
Attachments: BWD Plant 6 _26Sept 2016.pdf; Figure 1_083116_rev1.pdf; Figure 2_BP_xsection_090616.pdf; smime.p7s

Good Afternoon,
Attach is the white paper that was prepared in order to evaluate options for maximizing the use of Bethpage Water District (BWD) Well 6-2 to serve as both a public water supply and remediation well. This paper also evaluates potential options for the use or disposal of treated water from the sustained operation of BWD Well 6-2. R/
Lora Fly
